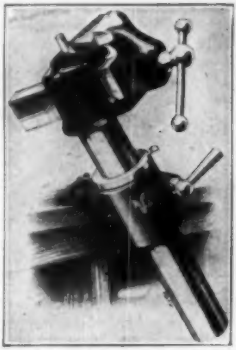
A complete universal Vise, set instantly in any desired position, one lever locking all swivels. It is firm and rigid, does not rattle or jump under chipping or hammering, and the swivels never wear loose.



The Victor Swiveling Vise

enables the workman to do more and do it better. It extends from the bench, and may be set instantly to bring the work before the eyes, in the best light, without stooping or straining. It saves time, inaccurate work, delays, muscles and eyes; it is simple, strong and rigid, nicely proportioned and handsomely finished.
